

2026 Fall Flag Football Registration Information

Hey y'all, this fall we are continuing to play flag football with the Charleston Sports and Social Club (a local adult intramural organization) and MUSC students are eligible to receive a \$35 subsidy for the registration fee.

You will gather your own team and register on your own by filling out a registration form from the [Charleston Sports and Social Club website](#).

There will be 8 players total on the field at a time per team, and at least 3 of them must be female. A team must have at least 5 players, including at least 1 female, present at game time to avoid a forfeit. CSSC recommends having a team of at least 10 players so teams have enough players for each game.

Games will be held on Monday nights with start times ranging from 6:30-8:40p and the season will last 8 weeks, with a playoff week for teams in the competitive league only.

The **deadline to register** for the fall season is **October 2** as of now and they hope to begin mid October.

To register go to this website: charlestonssc.com

- Click the "Sign Up" tab at the top
- Under SIGN UP ONLINE at the bottom of the page, choose TEAM SIGN UP.
- Fill out the form and pay the \$280 deposit (plus any applicable fees) to reserve the spot for your team. You will then email wellnesscenter.intramurals@gmail.com and charlestonssc@gmail.com so that CSSC knows you are an MUSC team and we can verify students on your roster.
- We will then contact you to verify we have received your information and CSSC will contact you for any additional balance due outside of the initial deposit that is not covered by the \$35 subsidy.

Charleston Sports and Social Club is a great organization and the people in charge are very nice and willing to work with most schedule requests. You will get a t-shirt for your jersey, as well as weekly coupons to local bars/restaurants to use as a team. Although we cannot provide our own flag football league this year, we are confident that this will be an enjoyable experience for MUSC students.

Please feel free to reach out to us with any questions.
